

# Organic Farming

THE USDA NATURAL RESOURCES CONSERVATION SERVICE IS A LOCAL RESOURCE FOR INNOVATIVE CONSERVATION SOLUTIONS TO IMPROVE THE LAND AND PROTECT YOUR WAY OF LIFE.

Financial and technical assistance is available for organic producers and those transitioning to organic production

through the Organic Initiative under the Environmental Quality Incentives Program (EQIP). NRCS may be able to help you implement some of the conservation activities listed at the right. ▶▶▶

- Pollinator Habitats
- Cover Crops
- Crop Rotation
- Drip Irrigation
- Pest Management
- Nutrition Management
- Windbreaks, and more!

## Application Summary for this Initiative

Applications may be submitted at any time and will be evaluated periodically as funding becomes available. Batching periods are established based on available funds.

The current application batching period will end **March 20, 2015.**

**United States  
Department of  
Agriculture**
